Welcome to Trivia Foo

Competitive environment to take quizzes from different categories and difficulty levels

Compete to be the new Trivia Foo all-time scoring leader, and be crowned the newest Trivia Foo Sensei

Compare your results against other competing on the the site to see where you stack up

1. Getting Started

➔ **Head to Our Deployment Link:**

➔ **Sign Up or Log \In**
Easily create username to track all of your high scores

➔ **Choose a Test**
Select categories and difficulty level

➔ **Take the Test**
Outscore your opponents and become the high all-time high scorer

2. Building Blocks of Trivia Foo

We utilized several technologies in this project:

➔ **HTML**

➔ **CSS**

➔ **JavaScript**

➔ **JQuery**

➔ **MySQL**

➔ **API's**

3. Contributors

Build confidence around your product or idea by including at least one of the these slides:

➔ **Brank Buono**

➔ **Christopher Faux**

➔ **Robert Kaylor**

➔ **Daniel Magro**

4. Future Development!

➔ **Tremendous Opportunity to Enhance the User Experience:**

➔ Add different games and questions to our existing list

➔ Increase statistical measures across all test taking measures

➔ Initiate a procedure for tracking one's tests and progress tracking over time
